

Bird Feeder Design

Materials:
 craft sticks
 water bottles
 plastic spoons
 milk cartons
 yarn

Name: _____

Create a Bird Feeder

During the winter birds have a scarcity of food. Bird feeding can make a difference for a bird's survival. Plan, design, and create a bird feeder that you can use to feed the birds in your area.

Plan

Where will you place your bird feeder?	
What materials will you use to create your bird feeder?	
What type of food will you feed the birds?	

Design a Bird Feeder
