Leprechaun Trap

Your assignment is to design and create a Leprechaun Trap. Leprechauns are known to be very tricky Irish fairies. They are dressed in green with pointed shoes and a hat. They are known for making shoes and guarding their treasures. If you catch a Leprechaun, they must tell you where their treasure is hidden. Think about how to get the Leprechaun into your trap. What would attract a Leprechaun into a trap? What do they like?
