

In Kindergarten – 2<sup>nd</sup> grade, PowerSchool is an online portal to house students' demographics, attendance and lunch balance.

**Starting in 3<sup>rd</sup> grade, students' grades are kept electronically on PowerSchool!** Parents can log-on through the online portal and have real-time access to their child's assessment scores and grades for homework and assignments. **In 3<sup>rd</sup> grade, students receive letter grades (A, B, C, etc.) for each content area.** This information is also available on PowerSchool! See the back for a reference guide to help you and your child understand letter grades in 3<sup>rd</sup> grade.

*Information is attached for how to set up your parent portal account. The PowerSchool Parent Portal can be accessed on the web or through the PowerSchool mobile app!*
